Conference Report

National Conference on 'Environment and Development'

9th & 10th September, 2016

Conference Organized by,

Department Of Zoology

**Dr.B.N.Purandare Arts Smt.S.G.Gupta Commerce and
Science College Lonavla-410403**

DOCUMENTATION OF A SINGLE MAJOR EVENT/ PROGRAMME

➤ SUMMARY REPORT

- Title of Programme: - **National Conference on Environment & Development**
- Name of Organizing Department/Committee: - Department of Zoology.
- Name of the Convener of the Programme: - **President Dr. J. O. Bachhav** Principal (I/C).
- Name of the **Organizing Secretary** of the Programme:- Prof. Dr.S.S.Pokale
- Date of the Programme:- 9th & 10th September 2016
- Venue: -Govinda Resort, Lonavala,
- Target Group: - Students, Researchers and Scientist.
- Number of Participants:- 170nos
- Total Expenditure for the Programme: - Rs. 1, 00,000/-
- Source of Funding: - SPPU, Pune

NAME OF RESOURCE PERSONS:-

- ❖ **Dr.Krishnendu Kundu** Senior Scientist and Head, Dept. Of BiofuelCSIR-CMERI CoEFM Erstwhile-MERADO (Mechanical Engineering Research and Development Organization) Ludhiana CSIR, Ministry of Science and Technology, Govt.of India.
- ❖ **Dr.Renu Singh** Senior Scientist, Centre for Environment Scienceand Climate resilient agriculture, Indian Agricultural Research Institue,New Delhi.110012
- ❖ **Dr.Shrikant Narayan Karlekar** Ex-Professor Dept. of GeographyEx-Dean, Faculty of moral and social Sciences, TMV, Pune.
- ❖ **Dr.R.S.Pandit** HOD, Professor Dept.Of Zoology S. P. P. University,Pune.
- ❖ Principal **Dr.Pushpa Ranade** (HOD Dept of Economics) I ShreeSiddhivinayak college of Arts Commerce and Science Mahila Mahavidyalaya Karve Nagar, Pune.
- ❖ **Dr.Avinash Bapurao Ade** Professor Dept.Of Botany S. P. P.Universities, Pune.
- ❖ Principal P A Rasal, Nasik
- ❖ Prin. Dr. Sanjay Kharat, Modern College, Ganeshkhind, Pune.

1. DETAIL REPORT:-

Title:-

“NATIONAL CONFERENCE ON ENVIRONMENT & DEVELOPMENT”

➤ INTRODUCTION –

The Lonavala Education Trust was established in the year 1981 by few enterprising residents of Lonavla with an objective of imparting higher education to the student community in and around Lonavala. Our college is situated amongst the lush green surroundings of nature. The ghat, valleys and numerous lakes around Lonavla are constant rowers of amphora pleasure. This scenic beauty rejuvenates the youth to see the brighter sides of life. Our college is the source of inspiration for the youths in directing and shaping their future. The youth around this place possess enormous potential and capability, to be the pillar of the next generation of this country. The college believes in Tagore's dream of establishing a nation “Where mind is without fear and head is held high” and has been persevering in realizing it since its establishment in 1983. This being the motto of the college, we impart value based education. We do not believe in hammering values in the student but bringing to their own realization of what is good for them and for the society. The college also believes in an overall development of the students and has always encouraged and motivated those students and instilled in them the confidence required in this world with cut throat competition at all levels. Quoting lines of Swami Vivekananda “Education is the process by which, character is formed, strength of mind is increased and intellect is sharpened as a result of which one can stand on his feet.” I would conclude that the college is and would continue making efforts to create responsible, sensible and empowered.

➤ NATIONAL LEVEL CONFERENCE WAS ORGANIZED ON :-

By Dept. of Zoology **Dr. B. N. P. Arts, Smt. S. G. G. Com, & Sci. College, Lonavala**; held on “**National Conference on Environment & Development**” 9th & 10th Dec. 2016. It is well organized by Dr.S.S.Pokale and his team. In the conference with paper presentation, poster presentation and some cultural events are also held. On both days has started with an invite talk by expertise.

➤ OBJECTIVES OF THE PROGRAMME-

Environment influences and shape's our life. From the environment we get food to eat, water to drink, air to breathe and all basic necessities of day to day life. The basic concepts of environmental studies are interesting and important not only to the scientists engaged in various fields of science and technology but also to the personnel involved in resource planning and material management. It is now universally realized that any future developmental activities have to be viewed in the light of its ultimate environmental

impact. The tremendous increase in

Industrial activities during the last few decades and the release of obnoxious industrial wastes in the environment, have been of considerable concern in recent years from the point of view of the environmental pollution. Environmental pollution, Deforestation, Global warming and their impact on ecosystem are threatening the life on the earth.

Beside this some other environmental problems like, solid waste management, mining impact, impacts of hydro-electric projects nuclear hazards and effects of industrial influences etc. Need to be addressed in mediator because their effects are very dangerous. Therefore, environmental aspect should be in mind while planning for industries, township and other research institutions / health centers. Modern technologies should be developed to reduce the pollution at every step. Modern technologies for effluent treatment should be used. Environmental study is very important for getting clean drinking water, hygienic living conditions, clean and fresh air, fertile land, healthy food nutritive food etc.

We invite all the interested academicians, subject experts, researchers and policy makers in the field of Science's, Botany, Zoology, Chemistry, Physics, Microbiology, Bio-chemistry, Biotechnology, Agriculture, Forest, Environment Sciences, Engineering, Pharmacy, Medicine, Geography, Geology and Social Sciences, Commerce, Management Economics, Psychology etc. NGOs, (UG & PG) students and general public and contribute their research paper for oral / poster presentation in the National Conference on 'Environment and Development.

BRIEF SUMMARY OF EVENTS/ SESSIONS:-

❖ **EVENT-**

❖ **INAUGURATION BY**

President of the program Hon. Mr. R.S. NAYYAR (Chairman) Lonavala Education Trust Lonavala. Hon. DATTA PALEKAR (Secretary), Lonavla Education Trust Lonavala. Vishal Padle journalist Lonavla. The chief guest of the event was Principal DR.SANJAY S.KHARAT, Modern College, Ganeshkhind, and Pune-53. And Guest of honor was Principal PUNDALIK RASAL & Principal DR PUSHPA RANADE Madam, College Principal J.O BACHHAV. Organizing Secretary of the event DR. S.S POKALE as well as his team and all the Principals, Professors, Scientists, and Research students participating in the conference from various colleges, teachers, and non-teaching staff of the college and students of the college, etc.

❖ **Day First 9th September**

- ❖ Session 1:- Invited talk by Prin. Dr. Sanjay Kharat, Modern College, Ganeshkhind, and Pune.
- ❖ Session 2:- Principal P A Rasal, Nasik
- ❖ Session 3:- Principal **Dr.Pushpa Ranade** (HOD Dept of Economics) | ShreeSiddhivinayak college of Arts Commerce and Science Mahila Mahavidyalaya Karve Nagar, Pune

- ❖ Session 4:- **Dr.Shrikant Narayan Karlekar** Ex-Professor Dept. of Geography Ex-Dean, Faculty of moral and social Sciences, TMV, Pune
 - ❖ Session 5:-Oral Presentation
- Day Second 10th September**
- ❖ Session 1:-Poster Presentation
 - ❖ Session 2:- **Dr.Krishnendu Kundu** Senior Scientist and Head, Dept. Of Biofuel CSIR-CMERI CoEFM Erstwhile-MERADO (Mechanical Engineering Research and Development Organization) Ludhiana CSIR, Ministry of Science and Technology, Govt.of India.
 - ❖ Session 3:- **Dr.Renu Singh** Senior Scientist, Centre for Environment Science and Climate resilient agriculture, Indian Agricultural Research Institute, New Delhi. 110012
 - ❖ Session 4:- **Dr.Avinash Bapurao Ade** Professor Dept.Of Botany S. P. P. Universities, Pune.
 - ❖ Session 5:- Invited talk by Dr.R.S. Pandit, Head, Dept. of Zoology, SPPU, and Pune on Impact of Liberalization on environment.

DISCUSSION SESSION:-

All the above resource persons were given proper guidance on environment and development as well as on environmental protection and conservation. Attendees also resolved their doubts by asking a number of questions. So an atmosphere of excitement was visible. All the participants also exchanged their views through oral presentation as well as poster presentation on the respective platform. Thus a kind of environmental protection and conservation objective was achieved.

❖ VALEDICTORY FUNCTION:=-

President of the program Hon. DATTA PALEKAR (Secretary), Lonavla Education Trust Lonavla. The chief guest of the event was HON. DR. ASHOK CHAVAN Controller of Examination, S P P University Pune. And Guest of honor was PROFESSOR SARDESI, Dept.of Botany S P P University Pune, Vishal Padle journalist Lonavla and College Principal J.O BACHHAV. Organizing Secretary of the event DR. S.S POKALE as well as his team and all the Principals, Professors, Scientists, and Research students participating in the conference from various colleges, teachers, and non-teaching staff of the college and students of the college, etc. The first, second, and third place winners in poster presentation and oral presentation were honored with mementos and certificates by the chief guests. Certificates were also distributed to all the participants by the chief guests.

❖ CONCLUSION:-

The participants from different parts of Maharashtra and other states are gathered to share valuable knowledge on the topic “National Conference on Environment & Development” and another aspect of the Environment.

It has a great experience and value-added program for our PG, UG, Researcher students which will definitely improve their knowledge and attitude towards research. It is useful to society.

Dear Colleagues

We invite all the interested academicians, subject experts, researchers and policy makers in the field of Science's, Botany, Zoology, Chemistry, Physics, Microbiology, Bio-chemistry, Biotechnology, Agriculture, Forest, Environment Sciences, Engineering, Pharmacy, Medicine, Geography, Geology and Social Sciences, Commerce, Management Economics, Psychology etc. NGOs, (UG & PG) students and general public and contribute their research paper for oral / poster presentation in the National Conference on 'Environment and Development'.

About The College

The Lonavla Education Trust was established in the year 1981 by few enterprising residents of Lonavla with an objective of imparting higher education to the student community in and around Lonavla. Our college is situated amongst the lush green surroundings of nature. The ghat, valleys and numerous lakes around Lonavla are constant rowers of amphora pleasure. This scenic beauty rejuvenates the youth to see the brighter sides of life. Our college is the source of inspiration for the youths in directing and shaping their future. The youth around this place possess enormous potential and capability, to be the pillar of the next generation of this country. The college believes in Tagore's dream of establishing a nation "Where mind is without fear and head is held high" and has been persevering in realizing it since its establishment in 1983. This being the motto of the college, we impart value based education. We do not believe in hammering values in the student but bringing to their own realization of what is good for them and for the society. The college also believes in an overall development of the students and has always encouraged and motivated those students and instilled in them the confidence required in this world with cut throat competition at all levels. Quoting lines of Swami Vivekananda "Education is the process by which, character is formed, strength of mind is increased and intellect is sharpened as a result of which one can stand on his feet." I would conclude that the college is and would continue making efforts to create responsible, sensible and empowered citizens.

ABOUT THE CONFERENCE ENVIRONMENT AND DEVELOPMENT

Environment influences and shape's our life. From the environment we get food to eat, water to drink, air to breathe and all basic necessities of day to day life. The basic concepts of environmental studies are interesting and important not only to the scientists engaged in various fields of science and technology but also to the personnel involved in resource planning and material management. It is now universally realized that any future developmental activities have to be viewed in the light of its ultimate environmental impact. The tremendous increase in

industrial activities during the last few decades and the release of obnoxious industrial wastes in the environment, have been of considerable concern in recent years from the point of view of the environmental pollution. Environmental pollution, Deforestation, Global warming and their impact on ecosystem are threatening the life on the earth.

Beside this some other environmental problems like, solid waste management, mining impact, impacts of hydro-electric projects nuclear hazards and effects of industrial influences etc. Need to be addressed in meditative because their effects are very dangerous. Therefore, environmental aspect should be in mind while planning for industries, township and other research institutions / health centers. Modern technologies should be developed to reduce the pollution at every step. Modern technologies for effluent treatment should be used. Environmental study is very important for getting clean drinking water, hygienic living conditions, clean and fresh air, fertile land, healthy food nutritive food etc.

Topics for Conference

- * Environmental Impact Assessment
- * Energy Resources
- * New Approaches in Sustainable Development
- * Water Resources Management
- * Eco tourism
- * Climate change and Global Warming
- * Market Feasibility of energy system
- * Remote Sensing and Environment
- * Economics of energy system
- * All allied themes.

Guidelines For Paper Submission

- * The abstract should not be more than 200 words.
- * The acceptance of the abstract for the oral or poster presentation will be communicated to the presenting authors by 04 September, 2016.
- * Note : No abstract will be considered without registration fee.

The Poster Size should not exceed 100x100 cm².

- * The authors are requested to send abstract and paper through E-Mail:- spokale7@gmail.com or bodke.nitin@gmail.com or amarkatkar@gmail.com only.

Publications Opportunity

- * All the Articles will be published in a special issue of International Journal Bio-science Discovery (ISSN-2229-3469) with impact factor Journal (<http://jbsd.in>)
- * Note : Kindly ensure that the Manuscript submitted to conference (Bioscience Discovery) for publication has not been published or sent for publication elsewhere. More Instruction are available on Following link instructions. [html](http://jbsd.in).
- * Note : Guidelines for Authors for submission of full length paper For details refer following website 1. (<http://jbsd.in>)
- * Registration Form available on <http://www.lonavlacollege.com>

IMPORTANT DATES:-

Abstract submission	30 August 2016
Full length Paper Submission	01 September 2016
Pre-registration	04 September 2016

Registration Fee:-

Delegate (with accommodation)	Rs.1500
Delegate (without accommodation)	Rs.1000
Research Scholars	Rs.1000
Accompanying Person	Rs.1700
Industry and Corporate	Rs.2000
Spot Registration (Extra)	Rs.200
Students	Rs.500

Best Research Paper presentation Competition

For oral presentation (Age Limit is 30yrs.)
For poster presentation (No Age Limit)

ACCOMODATION :

Accommodation will be provided for outstation registered delegates (From -9th and 10th Sept) at Govinda Resort Lonavla.

MODE OF PAYMENT :

The registration fee may be sent by Demand Draft drawn in favor of Principal, Lonavla Education Trust's Dr. B. N. Purandare Arts, Smt.S.G.Gupta Commerce & Science College payable Lonavla on or before 4 Sept. 2016. Registration fee can be directly transferred through net banking to A/c -60101873702 (Name Principal: DBNPSSGGC & Sci. College, Lonavla) Name of Bank: Bank of Maharashtra IFSC Code:-MAHB0000075 & MICR Code:-410014000 Br. code:- 0000075.

NATIONAL ADVISORY BOARD

- Dr. T. D. Nikam Professor Dept Of Baotany S. P. P. University.
- Dr. Pandit N. Shelke Principal Anmasaheb Waghire College Otur.
- Dr.S.R.Nikam Ex Prof. Dept. of Zoology, Dr.B.A.M. University Aurangabad.
- Dr.Sanjay .S.Kharat Principal Modern College, Ganeshkhind, Pune-53
- Dr.G.D.khedkar Assi. Prof. Dept of Zoology, Dr. B. A. M. University Aurangabad.
- Dr. Zaware B. N. Principal Anantrao Pawar College Pirangut.
