Feedback Analysis Report
Academic Year: 2022-23

Teachers Feedback on Academic Performance and Ambience of the institution

The feedback given by teachers on the academic performance and ambience of the institution includes various questions regarding the curriculum objectives, teaching hours, knowledge requirement fulfillment, learning resources, holistic approach enhancement, infrastructure facilities, and digital facilities. Some teachers also provided suggestions for improvement, such as providing necessary chemicals and glassware, increasing digital infrastructure, and ensuring clean toilets and well-maintained facilities.

Alumni Feedback on curriculum

32 Alumni students filled out a feedback form on the curriculum for the academic year 2022-2023. The students were asked to rate various aspects of the course on a scale of 1 to 5.

There are student suggestions mentioned in the feedback, including requests for good quality laboratory instruments, chemicals, and infrastructure improvements, as well as compulsory attendance for all students.

Students Feedback on Academic Performance and Ambience of the institution

The feedback on the academic performance and ambience of the institution includes questions on various aspects such as the objectives and outcomes of the curriculum, teaching hours, knowledge fulfillment, availability of learning resources, student engagement in the teaching-learning process, holistic approach, fairness of internal evaluation, adequacy of infrastructure facilities and digital facilities, and suggestions from students. The survey includes responses from 270 students. Some of the feedback provided includes suggestions for improvement in facilities, cleanliness of washrooms, provision of restrooms for girls during their menstrual period, and better communication of information by college staff. Overall, the feedback seems to vary, with some students expressing satisfaction while others suggesting areas for improvement.
