Digital facilities for teaching learning process should be enhanced.

-

Need to increase digital infrastructure for teaching learning process.

1) Allotment of the budget is very important for each year. For the last 10 years, it is not happening.
2) Provision of chemicals and glassware yearly at the beginning of the academic year is very important. Our college provides it once in 5-6 years before the exam day.
3) No internet provided for the last one year.
4) No provision of curtains for windows, which is necessary for PowerPoint presentations. Demanded so many times, but no one cares about it from the administration.
5) Working and Clean toilets are not available for the last 10 years.
6) No CHB staff provided for the last 10 years. The current staff is overburdened.
7) No lab assistant or attendant provided for the Zoology laboratory for the last 10 years.
8) This time we are confused about how to conduct the practical examination, no chemicals, and glassware were provided.
So many suggestions are there...

1) Chemicals, glasswares & equipments required for all practicals. Try to provide all Chemicals, glasswares & equipments, 2) Laboratory assistants must be required for zoology lab 3) Make the academic schedule (time table) as per UGC norms and regulation. carefully. 4) Optimum time should be provided to each subjective teachers by Time table committee, principals to conduct the lectures and practical 5) College should provide enough research facilities for Associate Professors and Professors. 6) There should be enough teachers for each subject in the college as per the work load. 7) Student's classrooms should be neat and clean.

No

Learning resources, infrastructural facility and digital facilities must be provided atleast before next academic year.

महाविद्यालयातील वर्गांमध्ये ई - संसाधने वाढविणे अत्यंत गरजेचे आहे.

Digital tools are needed for teaching.

1) Try to prepare academic time table as per the UGC norms and regulations. From 8.30am to 4.20pm time table, upto when teacher should present in college campus Assign 5 hours time to each teacher as per UGC norms, 2) college should provide basic facilities like good and clean toilets, gents and ladies separate toilet, water filter, updated practical chemicals, glasswares and equipments 4) lecture hall and practical lab, teaching staff hall should be clean regularly.

Infrastructure faciliy like fans and lights to be maintained time to time

SCOPE TO IMPROVE DIGITAL FACILITIES
