Vrey nice college take admission here

Yes

I would suggest that students shall be taken on study tour and practically explain the subject topics which will make understand the subjects more easily and also interesting.

Solved the students educational problem

Good

Nothing to say.

Need clean classroom and washroom which are basic need of students.

No

I have a good relationship with the teachers and they compromise so much to meet my needs but at times I don't make time to meet my needs. Overall all is good  
Only let the students be informed well in advance. And share the material on the group as well as in the library provide all the books.

No.

No seaport

Sudhar yene

The library must contain all different types of books related to the subject for competitive exams and academic books(updated).

Timing for the Library must be in the morning 9:30 -10:00 it is too late it must be opened by 8:00-8:30. Students who have exams at 10 am are not able to use the library.

Sports faculty must conduct a minimum of 5-10 sports during every year. And it must provide details regarding sports events 1-2 months before so that students can prepare.

-

Classrooms supposed to be clean and repair the fans and lighting

Clean washroom

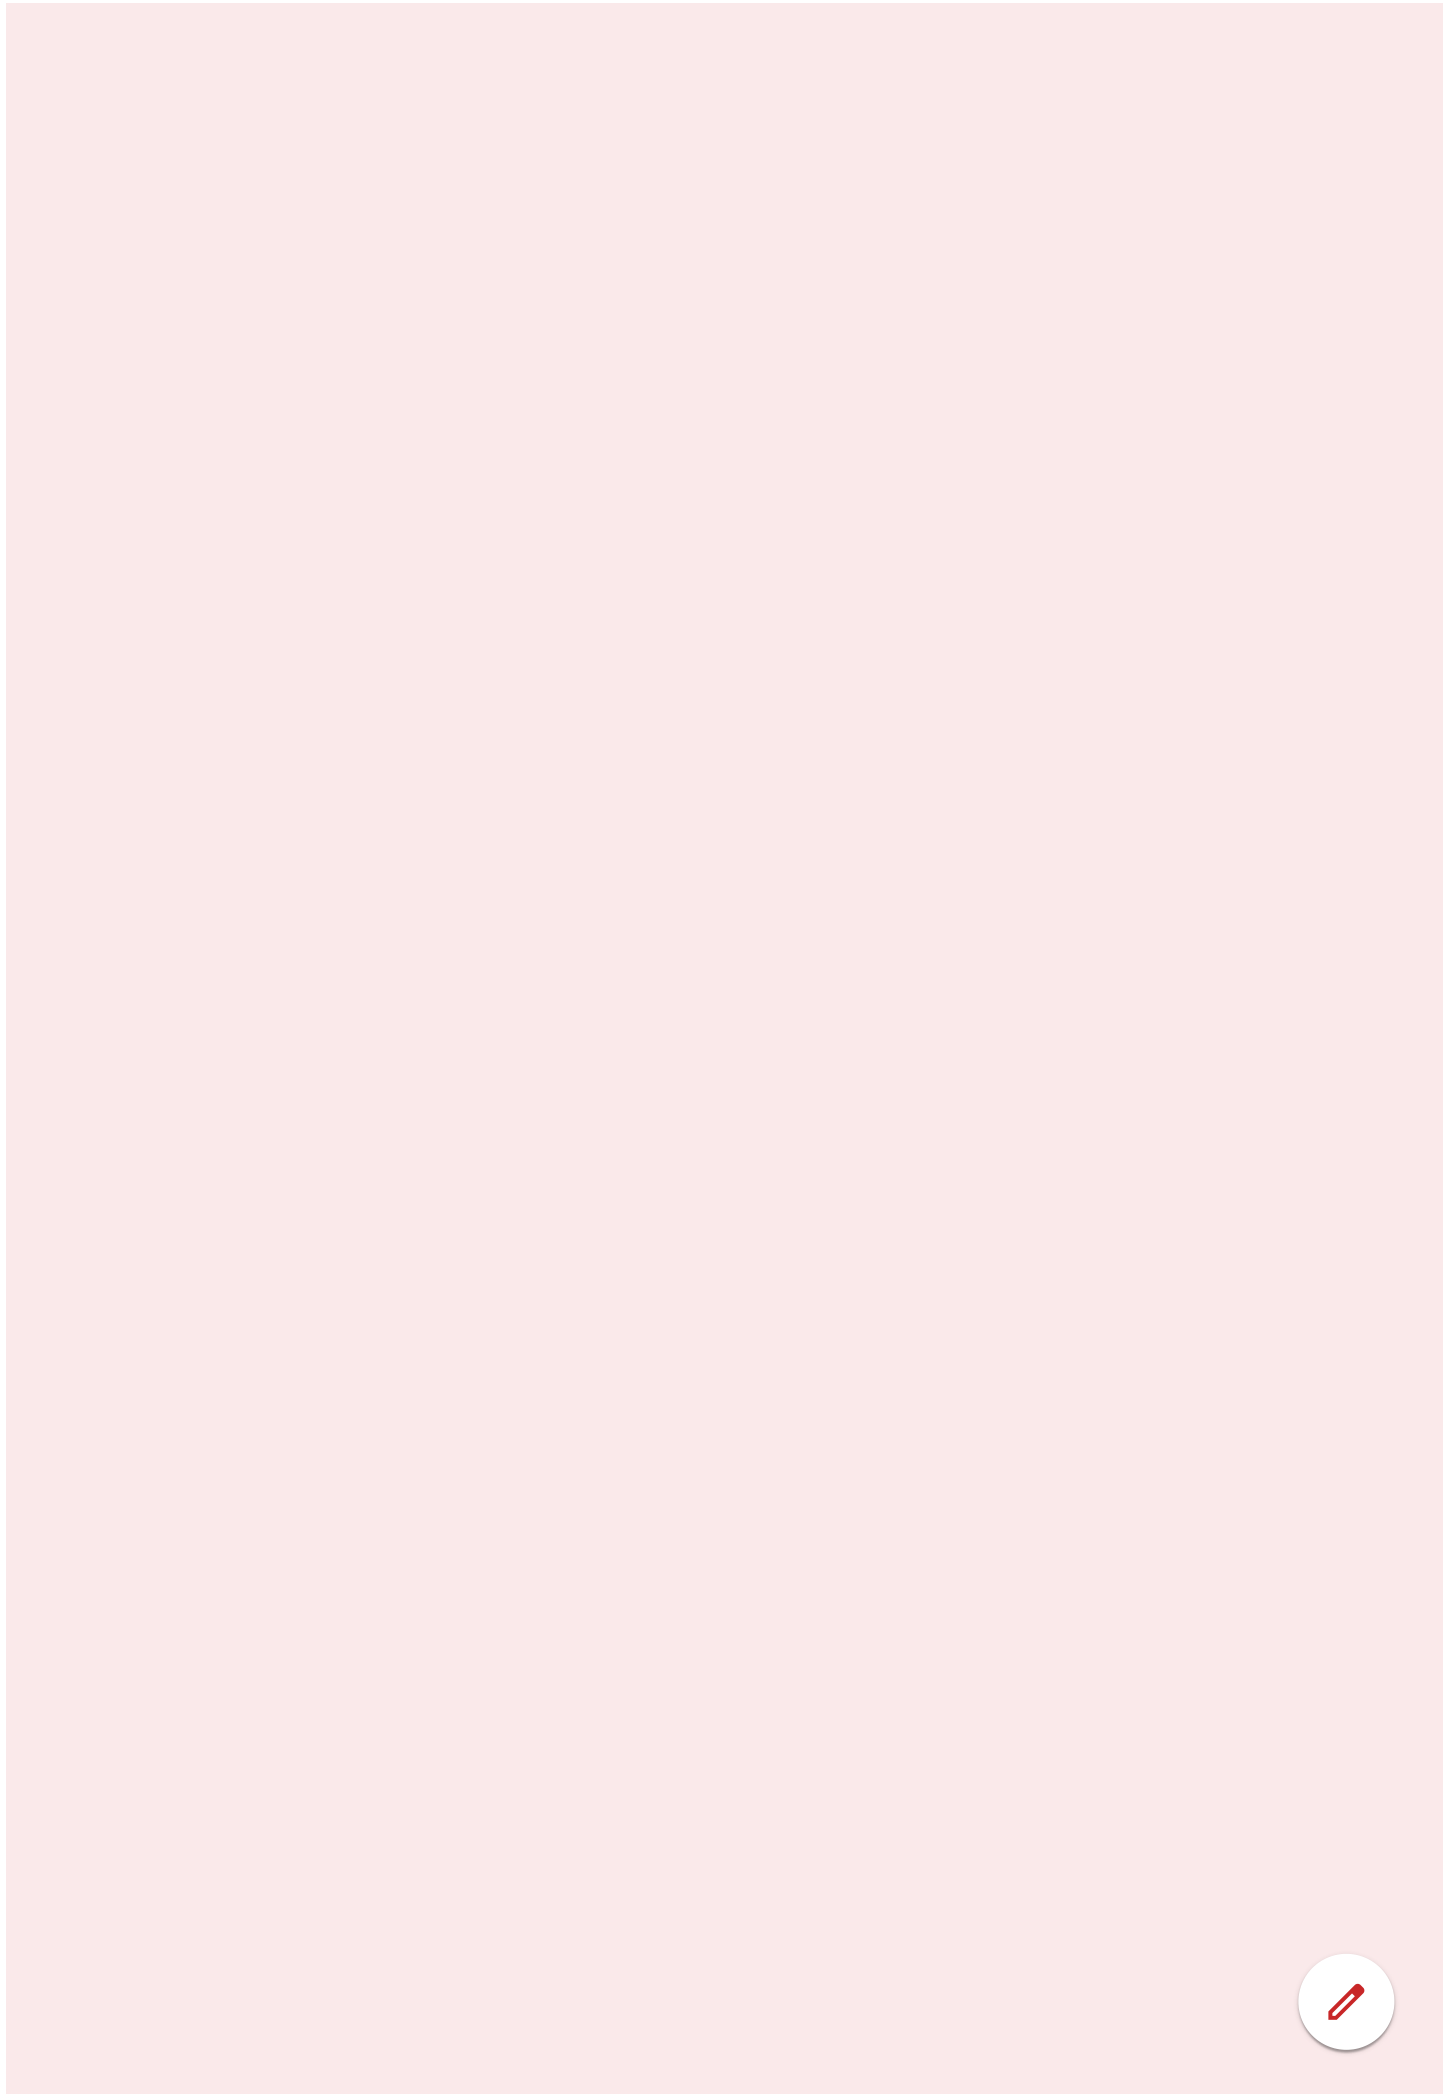

आम्ही या सगळ्याला सहमत आहोत
