15. Multidisciplinary / interdisciplinary

The institute is affiliated with Savitribai Phule Pune University, Pune. Hence the institute doesn't have academic autonomy to design the curriculum. The institution is planning to introduce interdisciplinary certificate courses to benefit students. The students will be encouraged to undertake multidisciplinary projects. The students will be explored through the various online education tools to utilize their mind power to learn their chosen multidisciplinary subjects. The institute will focus on collaborative learning. The institute plans to collaborate with eminent institutes to strengthen the teaching-learning process.

16.Academic bank of credits (ABC):

The institute is affiliated to Savitribai Phule Pune University, Pune. Hence the institute doesn't have academic autonomy to design policy on depository for credits. The affiliating university has implemented a choice-based credit system (CBCS) in all the programs with effect from 2019. In CBCS, students have to earn 8 credits in addition to the compulsory credits received from their core courses. In this regard, the institute has appointed faculty-wise co-ordinators to look after the additional credits earned by the students. These coordinators encourage students to take extra credits from various online platforms. The students are asked to upload certificates of the completed online courses on google classroom maintained by the coordinators. The credits earned by the students are then verified and communicated to the university through an internal marks entry system.

17.Skill development:

Skill and knowledge are the motivating forces of the growth and

Page 8/62 22-01-2025 06:00:40

economic development of the country. Today the industry is facing a severe shortage of skilled Manpower. The accelerated growth has only increased the demand for skilled manpower. The vision to make the youth self-reliant through skillbased education makes the National Education Policy 2020 a revolutionary document and in continuation of this vision, the institute has created a Skill Development Cell/Committee through which the following programmes will be conducted. 1. Communication Skills 2. Personality Development 3. English Language Skills 4. Computing Skills 5. Entrepreneurship Development 6. Yoga skills The Skill Development Cell Coordinator shall coordinate with team members, the Placement cell and HODs of the institute. There is a budgetary provision for activities related to the Skill Development Cell as it is important in light of National Education policy-2020. The tentative responsibilities and functions of the Skill Development Cell include 1. To provide the platform which will cater the services in professional skill development, these will be helpful to industries to get skilled manpower. 2. To provide a platform to learn online skill-oriented courses under various schemes of Govt. of India and other National and International Platforms such as Swayam, Coursera, Udemy, edX, etc. This provides the opportunity for all students in the society to learn various skill-oriented courses. This is helping them in their placements. 3. To evaluate the performance of the skill development programs in an objective manner. Apart from this, the institute offers the Skill Enhancement Courses (SEC) in each program as per the Choice Based Credit System (CBCS- 2019) pattern curriculum introduced by the affiliated University.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The promotion of Indian arts, language and culture is important not only for the society but also for the individual. Cultural awareness and expression are among the major competencies considered important to develop in students, in order to provide them with a sense of identity, belonging, as well as an appreciation of other cultures and identities. It is through the development of a strong sense and knowledge of their own cultural history, arts, languages, and traditions so that students can build a positive cultural recognition and self-esteem. Thus, cultural awareness and expression are important contributors both to individual as well as societal well-being and for keeping these views in mind, the institute has established a language Association and Cultural Department from the A.Y. 2021-2022 for promoting the regional languages, cultures in society and

integration of Indian knowledge system. Following are the tentative objectives of language association and cultural department in the light of NEP-2020. Language-teaching shall be more experiential and to focus on the ability to converse and interact in the language and not just on the literature, vocabulary, and grammar of the language. Regional Languages must be used more extensively for conversation and for teachinglearning purposes. Teaching in the home/local language wherever possible to understand the subject related concepts. Conducting more experiential language learning through language software and language laboratory. Inclusion of traditional Indian knowledge system including tribal and other local knowledge throughout into the curriculum designed for arts and humanity related Add-on, certificate courses and value added courses at institute level. To provide a much greater flexibility in the curriculum across humanities, sciences, arts, commerce, and sports in higher education, so that students can choose the ideal balance among courses for themselves to develop their own creative, artistic, cultural, and academic paths as per the guidelines of affiliated University and in the light of National Education Policy-2020. To organize different events during the Youth festival week, Annual social gathering and College foundation day to foster the regional language and culture To guide the students to participate in online certificate courses related to languages and regional culture through different online platforms.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

Traditional education system primarily functions upon the model wherein the knowledge is passed on to the new generation by the teacher. It enhanced theoretical based learning with focus on memorizing skills rather than practical skills. It is highly essential to remodel and reconstruct the system where the teacher was the key player and design a system which is outcome based for the new generation. Outcome Based Education or the OBE System is implemented by our institution as per the guidelines provided by Savitribai Phule Pune University. The college has set it as its goal to design outcome-based education which shall be studentcentric teaching-learning method. In a nutshell, the institute intends to standardize and promote the OBE system in such a way that students will be able to develop new skills essential to match up with global parameters. Regarding this, college follows the credit system pattern for F.Y./S.Y./T.Y. B.A., B.Com. and B.Sc. and M.Com. In accordance with the rules and regulations provided by the Savitribai Phule Pune University, the college has introduced skill enhancement courses for the students from

the academic year 2021-22. As a part of the outcome of the degree programs, a placement cell is formed by the college which plays a crucial role in career opportunities to the students. With the permission of the college development committee (CDC) new skill oriented and activity-based courses will be introduced by each department of the college. Learning outcomes are the point of reference for conducting achievement surveys. Hence it is necessary that the defined Learning Outcomes should survey in the form of creating feedback mechanism for present as well as Alumni of the students. In this context, the college has developed the feedback mechanism to understand strengths and lacunae of the course outcomes and program outcomes.

20.Distance education/online education:

The National Education Policy (NEP-2020) emphasizes distance education and online education. The new policy has opened a new set of opportunities for students as well as teachers. Especially, online education enables flexibility for both teachers and students. The Covid-19 pandemic has affected our lives and opened the gate of online education for the first time, which was useful to ensure imparting of education to students of all streams from school to college. Across the globe, with the advent of digitization in the education systems, online classes have become the need of the teachers and students. During the pandemic situation like every institute, the college too went through a phase of learning and teaching through online platforms. By following guidelines provided by Savitribai Phule Pune University, Pune and Principal teachers at our college used various free software's (such as ZOOM, Google meet, Google classroom etc.) to deliver the lectures and notes. Also, teachers have used online platforms such as google forms to conduct and evaluate students through the internal exams. College has organized various students' centric online programs successfully. Also, to bypass the difficult situation of lock down and to avoid the loss of delivering practicals to students, teachers have used online free virtual labs websites (such as websites provided by IIT, Amrita Vishwa Vidyapeeth etc.). It provided students for remote access to hands-on experimentbased learning and understanding. Teachers of all the faculties grabbed the opportunities to attend various faculty development programmes, refresher courses, national and international conferences and webinars on e-contents and MOOCs courses etc. Hence, the adoption of these cutting-edge technologies results in enhancing the immersive teaching-learning methods for teachers as well as students. Considering this futuristic approach, the college has

decided to make a policy which aims to make the online teachinglearning process accessible to every student in the college. On account of this college has set up an audio-visual room where teachers can prepare their videos effectively and pass it to each and every student through online mode. This technologyoriented policy will surely create new methods to transfer the knowledge effectively to students from rural as well as urban areas of Lonavala and will create employment opportunities.

CURRICULAR ASPECTS		
1.1 - Curricular Planning and Implementation		
1.1.1 - The Institution ensures effective curriculur documented process	n delivery throug	th a well planned and
The college is an affiliated institute to Savitribai Phule Pune University, Pune and follows the curriculum designed by the university. It runs three programmes at undergraduate and one at postgraduate level. Curriculum delivery is carried out through effective implementation of planning at various institutional levels. Academic calendars, timetables, workload distributions are		

streamlined well in advance in the beginning of every academic year. On the day of the commencement of every term the Principal holds a meeting to discuss ways of execution of curriculum in an

Page 13/62 22-01-2025 06:00:40

effective manner. All the heads of departments distribute the departmental workload to the teachers and fruitful operative timetables are prepared. After allotment of courses each teacher prepares their teaching plan as per the guidelines of SPPU, Pune. These teaching plans are submitted to the respective heads. They are checked and approved by the vice principal and the principal. The approved plans are submitted to IQAC for productive implementation. Every teacher explores the curriculum according to the teaching plan, this process is supervised by the respective heads.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The institute is an affiliated college of SPPU, Pune and follows the academic calendar provided by the affiliated University at the beginning of academic year. This calendar mentions commencement and conclusion of terms, schedule of examinations conducted by the University, vacations etc. Taking into account these provisions, the college prepares its own academic calendar mentioning various events, programmes and activities. For effective and fruitful functioning of all the curricular and co-curricular activities an academic calendar is prepared before the commencement of every year. The Principal shares it with all the staff in the first meeting called for planning of teaching learning. In order to ensure smooth and sincere continuous internal evaluation, the college asks all the teachers to prepare their schedules of teaching. The study tours, field visits, submission of projects and assignments, conduct of practicals are arranged strictly in accordance with the institutional and university academic calendars. Our students are informed about the planned activities and continuous internal evaluation through notices and time tables. The institutional academic calendar is displayed on its website. The teachers give projects and assignments, organize field visits to evaluate the students consistently, but they keep in mind the schedules of other co-curricular and extra-curricular activities.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The college believes in developing national spirit along with global competencies with value based education. These core values are implemented in all the activities conducted. The institute through its core courses, generic electives and skill enhancement courses ensures that the students are exposed to gender sensitivity, environmental sustainability and professional ethics. The departments of Geography, Botany, Chemistry, Physics and Zoology assign environment related topics for their projects and assignments. These departments organize field visits to make the students aware of environmental sustainability and other dimensions regarding the environment in general.

The departments of English and Marathi organize screening of films concerned with gender and the discrimination based on it. The institute firmly advocates professional ethics, so our M.Com and third year students of B.A and B.Sc are made acquainted with professional ethics. Guest lectures on Patents, Plagiarism,

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institution adapts following Strategies for slow learners and advanced learners

Efforts taken by the institution for slow learners:

Remedial coaching is provided to slow learners. Subject teachers identify slow learners in their respective subjects. He/She provides remedial coaching to identified students. He/She also conducts tests to check their performance after remedial coaching. The class teacher of each class monitors the progress of slow learners. The Mentor takes information from all subject teachers regarding the performance of students and corrective actions are taken.

Efforts taken for advanced learners:

Advanced learners are encouraged to participate in the Avishkar competition, a regular activity of Savitribai Phule Pune University, Pune. The competition helps the students to inculcate a research environment among themselves. The department of mathematics encourages students to participate in Mathematics Talent and Training Search (MTTS) program and Madhava Mathematics Competition Advanced learners are encouraged to participate in various seminars, workshops, and conferences to exhibit their academic potential. Efforts taken for both kinds of learners: Most of the departments arrange visits to different biodiversity, Industrial and institutional spots for students. Marathi department arranges visits to the newly developed village dedicated to books, Bhilar, Dist. Satara (M.S). This activity will

Page 19/62 22-01-2025 06:00:41

help to develop an interest in Marathi literature and reading in general. The Geography department celebrates World Geographic Day by engaging students to display their creative talents through posters and models. 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

As per the guidelines of the Savitribai Phule Pune University, Pune the college follows the mechanism of internal assessment in order to make it more transparent and robust in terms of frequency and variety. The general guidelines mentioned by Savitribai Phule Pune University in conducting the internal assessment at the college level are followed in all graduate and postgraduate programs. As far as the credit and semester pattern is concerned, these assessments include assignments, tutorials, seminars, group discussions, and written and oral examinations. The timetable of the conduct of the internal assessment and the topics to be covered are pre-notified by the Department of Examination to make the tests more organized. Also, each subject teachers inform the topics and syllabus to the students at least one week before, so that students get enough time for preparation.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The College has a separate examination department led by one the faculty members of the college entitled as College Examination Officer (CEO). Whatever complaints students have in relation to all types of examinations (University and College level) are solved

Page 23/62 22-01-2025 06:00:41

by this department. Students can directly approach the CEO in case of any objection and problem in terms of examination unfairness and submit the written complaint. The examination cell gives the prime importance to resolve the issues and inform the concerned students without delay. As per the norms of the university, the college conducts the semester and annual pattern of examination every year. Apart from these internal examinations in the written form, oral and tutorials are also taken by each department of the college.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The objectives and outcomes of each course stated in the curriculum are elaborately discussed with students at the beginning of the course. Each academic department of the institute prepares program outcomes (PO), program-specific outcomes (PSO), and course outcomes (CO) at the beginning of each academic year. Subject teachers discuss Programme outcomes (PO), Programme specific outcomes (PSO), and course outcomes (CO) with the students at the beginning of the academic year. For reference of students admitted to our Institution, Programme outcomes (PO), Programme specific outcomes (PSO), and course outcomes (CO) are displayed on the college website.

The decentralization and participative management are run bythe Principal and Statutory/Non-statutorycommittee coordinators. Various committees have been constituted for carrying out student-centric activities of the college effectively. Each and every committee member is empowered with a certain authority. This decentralization policy permits a large number of students to complete the admission process within a short period. Through this participation management policy, every committee member gets an opportunity to contribute to the admission process. In this manner, a decentralization system is practiced in all committees. Within certain limits, every committee is given authority to make decisions and thus participative management facilitates the division of work. Thus all the aforementioned practices provide an effective mechanism for college governance.

extension activities through National Service Schemes, Student Welfare Schemes, and Sports, and departmental activities. The institution insists on good governance in admission, examination, administration, library, and overall college planning and development by using Vriddhi online software 2.0. To strengthen the academic process, the internal quality assurance cell encourages all faculty members to prepare their teaching plans, syllabus completion reports, self-appraisal forms, and related documents. All academic department HODs are encouraged to prepare and maintain departmental input records such as syllabus copies, syllabus distribution reports, student activities, etc. Library, NSS, BSW, IQAC, and examination departments are also encouraged to update their department with the required proper documentation for the inclusive academic growth of the institution. IQAC also encourages all statutory and non-statutory committee coordinators and members to an organization of related activities for students and staff development.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The Institution conducts external financial audits regularly. It is checked at two levels viz. receipt and payment. The receipts of the fees collected from the students are checked by the office superintendent. The funds collected and statements of the Bank and official letters are checked by the office superintendent. The payment vouchers are signed by the accountant, office superintendent and finally by the Principal.

External Audit

The external audit is checked annually after the completion of every financial year. The chartered accountant is appointed by the institution who works as Auditor. The checking of the external audit program goes for 10 to 15 days generally in the month of May every year. External auditor checks accession records at three levels viz.

- 1. All the purchase records and dead stock of the laboratories.
- 2. The dead stock and equipment of the gymkhana.

The nature of the payment is categorized into two categories

- 1. Revenue expenditure
- 2. Capital Expenditure

This is also checked by the auditor. The vouchers and record of the concerned Department of capital expenditure is checked and verified. Dead stock registers and or purchase registers are physically checked and finally external auditors sign receipts and payments. The utilization certificates are prepared as per expenditure under various heads of grants received from UGC, DST-FIST, BCUD SPPU, Pune. This is also checked by an external auditor nominated by the Institution.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The Institute was established with the aim to provide quality education to the rural and underprivileged youth in and around

Page 53/62 22-01-2025 06:00:41

Lonavala city. The barriers that the students in this area faced were conveyance issues, low income, extreme weather conditions, etc. The girls, in particular, had no facility to travel to distant places like Pune for getting higher education. With the establishment of our college, many students and their parents are relieved about getting higher education. The college runs on the values of equality and justice for all which paves the way for many students who seek higher education.

Our institution takes an effort to promote gender equity and sensitization through the curriculum and organizing various programs for the students. College organized one day workshop on "Prevention, Prohibition, and Redressal of Sexual Harassment of Women at the workplace" for staff and students. Also, college has organized a seminar on "Women empowerment" for girl students. The institution has installed CCTV cameras at significant places to ensure both safety and security for the students and staff and arrangement of security staff.

Page 54/62 22-01-2025 06:00:41

Hazardous chemicals and radioactive waste management

- 1. The solid waste generated on the college campus includes papers, plastic, wrappers, old newspapers, used files, old projects, journals, scrap, etc. The waste material is collected and sold out to scrap vendors from time to time or it is given to external agencies where they are segregated and recycled or disposed of according to the nature of the waste. Leaf litter is allowed to decompose in the dump yard made on the campus. A Sanitary Napkin disposal machine is installed near girls' washrooms for the safe disposal of sanitary napkins in an ecofriendly way. Less use of Paper is made as the majority of the administrative and academic work is carried on with the help of computers and the internet.
- 2. Liquid Waste Management: Liquid waste is generated through toilets and the canteen. The Liquid waste is let out as effluent into the proper drainage system to avoid stagnation.
- 3. E-waste Management: Electronic goods are put to optimum use; the minor repairs are set right by the Laboratory assistants and teaching staff, and the major repairs are handled by the Technical Assistant and are reused.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The institution believes in the equality of all cultures and traditions and this is evident from the fact that students and staff members belonging to different regions, castes, religions, cultures and languages are studying and working in college without any discrimination. We do not have any intolerance towards cultural, regional, linguistic, communal, socio-economic or any other diversity. The college organizes various programs and events to provide an inclusive environment. Cultural and religious festivals are celebrated in college to develop the feeling of oneness and social harmony. Every year Annual Social Gathering is celebrated wherein, the students perform various art forms like singing, dancing, skit, mimicry, etc. Also, Days like Traditional Day, Saree & Tie Day, Group Day, Mis-match Day, etc. are organized and celebrated by the students as a part of the Youth festival. On the foundation Day of the college on 17th August, every year Talent Hunt Programme is organized by the Cultural Committee to showcase the hidden talent in the students. Every year the "Warkaris-Pilgrims going to Pandharpur take a one-day halt in our college. This year college has organized a webinar on "Wari Anubhavavi Ekdatari" for the students.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1

Title of the practice: Personality Development Mission

Objectives of the practice

- 1. To develop the overall personality of the students.
- To benefit poor, economically backward, and needy students of the college
- 3. To help students to overcome their financial issues whilst pursuing higher education independently.
- 4. To enable the students to continue with their education
- 5. To make students more confident to face challenges and obstacles in life

Best Practice 2

- 1. Title of the Practice: "Holistic Development of nearby Villages through extension activities."
- 2. Objectives of the Practice
- 6. To identify, address and solve the various problems of the villagers.

Page 60/62 22-01-2025 06:00:42

- 7. To develop intellectual awareness and value of education among school children of the village.
- 8. To make the villagers aware of the factors adversely affecting their progress.
- 9. To develop the proximity of the college students with the villagers and strengthen the bond between them by organizing a special residential camp.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The following activities show the institutional distinctiveness

- 1. Fees Concession for orphan students
- 2. Voters literacy club
- 1. Fees Concession for orphan students:

Lonavala Education Trust is very considerate in the admission fees of orphan students for providing them a quality higher education in the basic stream of Arts, Commerce, and Science at Lonavala Education Trust's, Dr. B.N. Purandare Arts, Smt. S.G. Gupta Commerce and Smt. Shardaben Amrutlal Mithaiwala Science College, Lonavala. Lonavala Education Trust encouraged a few meritorious students by providing 50% financial assistance in admission fees with the help of the nearby charitable trust "Seva Bhavi Sanstha" Lonavala for the academic year 2020-2021.

2) The Voter Literacy Club:

Our College's Voter Literacy Club is working distinctively and has been honored as the best-performing college in Maval taluka for three consecutive years by Hon'ble District Collector Pune.

The Voter Awareness Programme is a sincere endeavor to extend electoral literacy to adult populations in government and non-government offices, private institutions, and organizations.

The best part of this is that our College's Voter Literacy Club has been honored as the best performing college in Maval taluka for three consecutive years as per the order of Hon'ble District Collector Pune.
